SPRING / SUMMER 2019

## INSPIRATION SS19

For SS19 Brave@ takes you to Italy, behind the doors of the beautiful Pellicano hotel and it's magic.

The colors are those of a glamorous Italian summer, sand and sea colors with accents of orange, purple and pink tones.

Loose relaxed silhouettes of blouses, suits and kaftans are fresh but luxurious in silks, linens and light viscoses. Stripes and leafy prints gives a bohemian vibe.
